Bill Script

Bills will usually be presented by team members

I'd also like to thank you for giving us the opportunity to talk with you today.

I'd like to talk with you today about (Bill #) (Refer to talking points).

"Do you have questions for me about (Bill #)?" If you can answer, do so, if you can't answer, say "I am not sure about that, but I will definitely have someone from our state public policy team get back to you with an answer right away"

"May I indicate that AAUW will have your support for (Bill#)?" If they say no, don't argue just ask them if they would mind sharing their concerns, then write them down.

Each member will repeat in turn.
